Supervising and writing a good undergraduate dissertation

www.benthamscience.com/ebooks/9781608051762

About the ebook

This eBook is a guide for academic staff across various disciplines who are involved with dissertation supervision. It is valuable to those in the early stages of their career who may be supervising for the first time; equally, it provides support, guidance and affirmation to those who have supervised over a number of years.
