Mental Health Promotion in Schools Foundations (Volume 1)

www.benthamscience.com/ebooks/9781608054664

About the ebook

Behavior problems are approaching epidemic levels in many schools and mental health issues in school-aged children is an international concern. This book discusses methods by which educators can promote student mental health, similar to the ways in which schools already promote physical health.

Contents

- ▶ Increasing School Attendance: The First Step in Promoting Mental Health
- ▶ Student Engagement and Disengagement: An Intrinsic Motivation Perspective and a Mental Health Concern
- ▶ Teacher-Student Relationships in Mental Health Promotion
- ▶ Response to Intervention: A Proactive Approach Addressing a Spectrum of Student Need
- ▶ The Contribution of Extracurricular Activities to School Priorities and Student Success
- ▶ Positive Approaches to Behavior Management: Friend or Beast of Burden for Professional Educators?
- ▶ Risk and Resilience in Middle Childhood: Lessons for School Mental Health Promotion
