Educating the Global Citizen In the Shadow of Neoliberalism: Thirty Years of Educational Reform in North America"

www.benthamscience.com/ebooks/9781608052684

About the ebook

The series explores the complex and multivariate ways in which changing global paradigms have influenced education, democracy and citizenship from Latin America, Europe and Africa to Asia, the Middle East and North America. It seeks to unearth how these changes have manifest themselves in daily classroom experiences for teachers and administrators the world over and how recent events might influence future change.
