Phytotherapy in the Management of Diabetes and Hypertension : Volume 2

<http://ebooks.benthamscience.com/book/9781681081625/>

About the eBook

Phytotherapy in the Management of Diabetes and Hypertension is a good addition to existing volumes detailing knowledge of hyperglycemia therapy. This e-book emphasizes the basic biochemistry behind diabetes mellitus and hypertension, along with the control or remediation of these conditions through a cost effective, safe, easy-going, easy-adaptable method validated by scientific research.
