Young People's Visions of the World

www.benthamscience.com/ebooks/9781608050352

About the ebook

aims to value young people's expression of their own culture and personal interests. It is unique since the starting point is the drawings of the young people not to illustrate a predetermined theory but to enable young people from different countries in the world to express their visions about the world, to express their opinions, fears, expectations and own cultures
