## The correlates of loneliness

<http://ebooks.benthamscience.com/book/9781681080703/>

### About the eBook

The book explains the concept of loneliness in psychological theory and presents a few studies on loneliness among different populations (including a case study on Finnish people).

Written in a clear and systematic manner, The correlates of loneliness is the definitive beginners reference on the topic of loneliness for academicians, sociologists, psychiatrists and general readers.

### Contents
